Ziglin Signs

Welcome!

We're here to make your life easier.

HealthEZ is an independent third-party administrator (TPA), which means we manage your employer's health benefits and process your medical claims. We work with your employer to design a custom benefits plan for your organization and we're ready to help you access the services you need. We've been providing our knowledgeable and service-oriented approach for over 40 years.

Seamless online payments

EZpay is HealthEZ's online payment system that allows you to easily and quickly pay your portion of medical bills with your payment of choice, including credit and debit cards, and HSA accounts.

After you set up EZpay, we will notify you via email each time we process a bill of yours. Your options are:

- Approve Payment
- Decline Payment
- Do not respond

If you do not respond and have a card on file, EZpay will pay your portion automatically. The automatic payment is processed:

- Two days for bills under \$250
- Five days for bills over \$250

One simple statement

We consolidate all of your monthly healthcare expenses into one simple statement. This statement eliminates confusion and provides information about year-to-date deductible and out-of-pocket maximums, and itemized transactions during the current billing period.

Care Advocacy

If you need a replacement card, log into to your myHealthEZ account and request a new card be printed and mailed, or access a digital copy directly to your device!

Dependents over the age of 19 can create their own myHealthEZ account to manage their plan and request a replacement ID card or access their ID card directly to their own devices.

Your medical network is Health Link.

What is a medical network?

Your medical network is a group of healthcare providers. It includes doctors, hospitals, surgical centers and other facilities. These healthcare providers offer services at a lower rate than out-of-network providers, which you will see reflected on your statements as a discount.

What if I go outside of my medical network?

There may be times when you decide to visit a doctor or clinic that is out-of-network. The costs for these visits and services are often higher than seeing doctors that are in-network. You will be responsible for paying the difference between the provider's full charge and the amount your health plan pays. This is called balance billing.

How do I know if my provider is in-network?

Please visit your dedicated Benefits Website and click "Find Care."

Your Pharmacy Benefit Manager is True Rx.

What is a Pharmacy Benefit Manager?

Pharmacy Benefit Managers (PBMs) reduce prescription drug costs and improve convenience and safety for consumers. Your PBM administers your prescription drug plan and offers a network of pharmacies that offer more affordable medications.

What is mail order?

If you take maintenance medications for long-term conditions like arthritis, asthma, diabetes, high blood pressure or high cholesterol you could save money with True Rx's mail order service.

What are Generic drugs?

Generic drugs are copies of brand-name drugs and are the same as those brand-name drugs in dosage form, safety, strength, route of administration, quality, performance characteristics and intended use. Although generic drugs are chemically identical to their branded counterparts, they are typically sold at substantial discounts from the branded price.

To find out if there is a generic equivalent for your brand-name drug, talk to your doctor or visit [TrueRx.com](https://www.truerx.com).

Your Specialty Medications are administered through SHARx.

Your employer will begin providing a new service to enrolled members in your current health plan. It's a new prescription drug benefit and advocacy program provided through SHARx.

What is SHARx?

SHARx is a pharmacy advocacy solution provided by your employer. This program was created to extend advocacy program benefits to employees like you. Our role is to help facilitate the advocacy onboarding process for each eligible member of your employer's health plan and provide access for high-cost medications.

Visit sharxplan.com or call 314-451-3555 to learn more about the program.
